The work on the garage at the outdoor range is done for now. South side still needs to be done and new garage door to be purchased. We are waiting on an estimate for the door.

The new trap house is about 1 foot higher than it should be. Norm has a possible solution and will try to contact the person again.

A new shed is needed for the silhouette targets. Estimates have been reviewed. Darin will get an estimate for on-site build.

New Business

Discussion took place for the Gun Show to be held 12-13 March at the Memorial Building. Rick will make flyer for the event. Also was discussed the involvement from Jim Miller selling tables for the show. It was decided to make him a club member to take care of Gun Show coordination / selling tables. Gary will take care of the raffle. Options suggested were a shotgun or a 17 HMR rifle with the option to exchange it for merchandise at Gerrells Sports Center. Jose will find out if the Security guard will be available.

Meeting adjourned at 8:00 PM.
