Concealed Weapons Class

Saturday September 24, 2022

The Lake Region Shooting Sports Association will provide the North Dakota Class 1 & Class 2 concealed weapons instruction and testing starting at 8:30 AM Saturday morning September 24, 2022 at the Devils Lake War Memorial building (enter the glass door on the East side of the building under the exterior ductwork).

Those interested in the Class 1 permit should plan to attend from 8:30 AM until 2:30 PM or so. We will break for noon. After noon we will complete our review and hold the proficiency testing for the Class 1 permit out at the outdoor range until we are done. The outdoor range will accommodate most any handgun chambering, so you may shoot the proficiency course with the caliber handgun of your choice. Please review the Concealed weapons manual available on the Attorney General's website for the course of fire and to prepare yourself for the class.

Those interested in the Class 2 permit should also plan to arrive at 8:30 AM Saturday morning September 24, 2022, but their written testing will be conducted from 8:30 AM until roughly 10:30 AM.

This concealed weapon testing is a fund raiser for the Lake Region Shooting Sports Association. The instructors donate their time, and the funds raised are utilized in the Association's marksmanship and firearms safety training efforts in the Devils Lake Region.

*** Please register for the class ahead of time by calling Rick Jorgenson at 701- 662-4760. Leave a message, if necessary, and Rick will return your call as soon as possible to confirm your attendance and answer any questions that you may have about the classes.
