Old Business

Sunday indoor shooting has started. We will update calendar and may have some conflicting dates when other events will need to use the range.

Norm stated the Landfill work will continue so it is important for everyone to continue checking down range before shooting. They will also be working on it next year.

4H air rifle and air pistol will be on Thursday from 6-9PM in January and February. We will be holding 1 hour sessions and the classes are full. For kids to shoot air pistol they must have first completed hunters safety.

Archery will possibly be using our indoor range on Fridays in March and April. Rick will check with Cindy to verify.

New Business

Gun show date will work ok on the 23rd and 24th of February 2013. Discussion took place on picking the best date and how and where to hand flyers out. Lee has been helping hand out flyers at other gun shows. Discussion also took place on if we can set dates earlier and if we can advertise more. Darin will check if we can get the same person to work security this year and Gary will start on the raffle tickets. Rick would like a 4H table set up again this year.

The next CCW class will have to be changed to January 19th due to a conflict with a fishing tournament. We may not be able to take pictures, Rick will be gone.

Norm and Doug discussed getting a quote for shotgun clays and check on a June delivery.

Rick stated last weekend's air gun tournament was very successful. We had 30+ shooters and the range was full, 16 points.

Rick was at a 4H meeting in Jamestown. He is scheduling an air rifle tournament in Devils Lake on March 16, 2013 and will do an air pistol demonstration. Rick stated there will be an air rifle instructor course held on January 5th in Devils Lake and to contact Cindy if you are interested.
